IN RE: OSAGE MUNICIPAL COMMUNICATIONS UTILITY	DOCKET NOS. TCU-01-10 TF-02-102
---	------------------------------------

ORDER APPROVING TARIFF AND ISSUING CERTIFICATE

(Issued April 15, 2002)

On March 8, 2002, Osage Municipal Communications Utility (Osage) filed a proposed local exchange tariff with the Utilities Board (Board) providing the terms, conditions, and rates for local exchange service in listed exchanges as described in the Osage, Iowa, exchange maps and boundaries of Qwest Corporation (Qwest). The proposed tariff has been identified as TF-02-102.

On July 13, 2001, the Board issued an order in Docket No. TCU-01-10, approving Osage's application to provide service in the Osage, Iowa, exchange and approving concurrence in Qwest's exchange maps. Also in the July 13, 2001, order, the Board stated that a certificate would be issued when Osage obtained an approved tariff setting forth the prices, terms, and conditions of local exchange service in Iowa. Osage requests the Board approve the proposed tariff and grant it a certificate to provide service in the Osage, Iowa, exchange.

The Board has reviewed the proposed tariff and finds it substantially complies with Board rules for the filing and processing of tariff pages. The Board will approve

the tariff effective the date of this order and issue Osage a certificate of public convenience and necessity concurrent with this order.

IT IS THEREFORE ORDERED:

1. The tariff filed by Osage Municipal Communications Utility on March 8, 2002, is approved effective the date of this order.
2. A certificate, identified as Certificate No. 0244, is being issued to Osage Municipal Communications Utility, concurrent with this order.
